The PCC is a charity excepted from registration with the Charity Commission
Registered Charity No XR18474 (Church of England).

Structure, Governance and management

The method of appointment of PCC members is set out in the Church Representation Rules.
All church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC.

Objectives and Activities

The PCC has the responsibility of cooperating with the incumbent Revd. Tim Weatherstone and the Team Ministry in promoting in the ecclesiastical parish the whole mission of the Church ,pastoral, evangelistic, social and ecumenical.

Achievements and performance

All those who attend church are on the Electoral Roll

. Services

Members of the Ministry Team have led services at Runhall during the past year. The average attendance for 2018 was 10

Special events included the Christmas Service with children participation. Harvest Thanksgiving at Runhall was on the 30th September. The produce of the Harvest Festival was taken to Etling Grange Old Peoples' Home. Other services are usually monthly.

Review of the year

The PCC met for the AGM on 27th March 2018 at Beech House.

There was no fundraising event this year and as a result the accounts show a loss for the fifth year running. This will only get worse unless steps are taken.

We had one Funeral (Neave), no weddings or christenings this year

We are indebted to Jane Howard and Jonathan for playing the organ for us most Sundays.

Financial Review

The church has made a financial loss of £104.78 this year but we failed to meet our diocesan share. This had been met by drawing on our current account balance from previous years but we agreed two years ago to limit our losses to put off our running out of money later rather than sooner. As the share has increased again for 2019 the position can only get worse. I believe the time has come to limit the amount we pay for the share to limit our deficit to £500 per year. This will mean we will run out of money in 10 years time unless more money is raised.

Our bankers are: Natwest Bank, East Dereham
Independent Examiner: Adrian Rodford

Fabric Report

Some areas of plaster have come off the walls internally due to the damp conditions but this does not affect the safety of the building

Otherwise the church remains in a reasonable state of repair taking into account the financial limitations imposed by our financial position. The Quinquennial took place in September 2015 and a copy is available for inspection. No new major deterioration was noted but a long list of measures deemed advisable was reported in the report

. A replica wooden cross has been made and will now remain in the church.

After the initial meeting to look at the church building condition it was agreed that it would be prudent to look at getting help from the Churches Trust to help with the recommendations in the quinquennial report. An initial inspection with our architect in attendance has now taken place and we await the outcome of this inspection. I understand the only way we can get a grant is by making the church a community building which would involve removing pews from the church. I personally do not wish this to happen

Looking to the Future

There is a great deal of goodwill in the village towards the church borne out by the number of people willing to be involved in the flower rotas. It would be good to aim for this involvement at other times of the year.

On behalf of the P.C.C
A.S.Jewson
