

RUNHALL VILLAGE COMMUNITY GROUP

REPORT FOR ANNUAL VILLAGE MEETING HELD ON 14.4.2021

This is a new group set up in December 2020. The Committee comprises most of the old play area committee, plus some welcome new faces.

The group was set up to widen the possibilities for attracting new volunteers, which is has done, and to get better support for fund raising and ideas for improving the village of Runhall, which includes negotiating with the Trustees to take over the day to day running of the play area which is a parish resource.

Fund raising has not been possible up to now and it is appreciated that the rest of this year and 2022 will be challenging in this regard, but we are looking at possibilities, e.g. giving support to an open air table top sale in aid of a defibrillator.

As most of the current group have been involved in the repurposing of the telephone box in Runhall to its new use as The Exchange we are just finishing off spring cleaning with new notices on the history of Runhall, clean windows etc. Just needs a wash down outside and one or two places where paint needs touching up. Lots of new things to see including different c.d.'s and d.v.d's.
