## Queen's Platinum Jubilee – 2022 – Events in the Parish

By the time you read this it is probable that the two planned events in the parish to celebrate the Queen's Platinum jubilee will have taken place. They were:

**Tea Party – Welborne Church and Village Hall, Thursday 2<sup>nd</sup> June from 3pm to 6pm**

**Runhall Community Group will be holding a Platinum Jubilee event on 28th May at Runhall Recreation Ground**

The council obtained a small jubilee related grant from South Norfolk Council that was split between the two events. The council would like to thank the organisers of both events for putting on these events so that parishioners could join in the jubilee celebrations.

## Council AGM

The Parish Council AGM was held on Wednesday 18<sup>th</sup> May. The annual accounts were signed off and Simon Guest was re-elected to the position of Chair.

### Support your Parish Council – Volunteers needed

There are two opportunities available to get involved and help the parish. These are both good opportunities for people new to the parish to get involved in the community.

**Parish Council** – There is still a vacancy which will be filled by co-option (the council invites someone to join without the need for a public election). If anyone is interested in joining the council, please contact the parish clerk, Bev Long, who will then send you more information, including an application form

**Litter Warden** - We have a number of litter wardens in the parish – details on the website. A vacancy has arisen for a warden in Brandon Parva. If anyone is interested in taking on this role please contact the parish clerk, Bev Long.

### Power Cuts/Phone Availability

A number of people have raised the concern of being completely out of contact during power cuts due to a combination of two issues:

- Poor mobile coverage where they live
- Land lines now being routed through broadband which is not available during power outages and thus the land lines don't work

The council have raised this concern with Norfolk County Council who are working on improving both mobile and broadband access across the county. The Parish Council are keen to understand how widespread this issue is. If you are impacted in this way please can you send details of the scale of impact and your location to the parish clerk, Bev Long.
